A---O

We will sing wherever we go

A---O

Move it high or low

A---O (echo)

A---O (echo)

A---O (echo)

A---O (echo)

Feel it all the way

Let the music carry you

Make it all you do

Feel it always each and every day

Part 1: Come on this way

Make music play

And carry on

From day to day

Part 2: Come on this way

Make music play

And carry on

From day to day
